

PHILOSOPHY AND PROCEDURE FOR SELECTION AND APPOINTMENT OF DIRECTORS TO THE BOARD

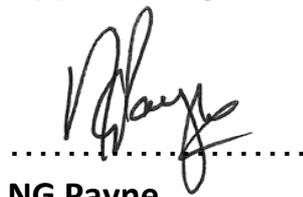

APPOINTMENT PHILOSOPHY:

It is the Group's intention to maintain a vibrant Board that constructively challenges management's strategies and evaluates performance against established benchmarks. Given the retail environment in which the Group operates, it is essential for there to be a balanced representation of retail experience, whilst consideration is also given to the contribution afforded by skills and experience in other disciplines, including international business experience, which will strengthen the decision making abilities of the Board. A Board majority of independent Directors will be maintained. The Board appreciates the need for gender and ethnicity diversity and will give consideration to these demographic criteria. All appointments however, are based on the most suitable skills, experience and fit.

APPOINTMENT PROCEDURE:

- The Skills Matrix is reviewed and updated annually and the absence of a particular skill or attribute is identified;
- This gives input to the Succession Plan exercise, which is also conducted annually;
- Nominations for suitable candidates are requested from Board members and Management;
- A suitable candidate, who has the necessary skills set, is approached and his/her CV is circulated to the Remuneration and Nominations Committee for review.
- A potential candidate is interviewed to assess suitability by the Chairman and/or the Lead Independent.
- If the candidate is considered potentially appropriate, background and reference checks are undertaken to ensure suitability of the candidate.
- The candidate's CV is then escalated to the Board for consideration;
- Upon Board approval of the CV, the candidate is invited to meet the whole Board, during one-on-one sessions, for further confirmation of suitability;
- If the candidate is considered to be acceptable by the whole Board, then a Letter of Appointment is issued and countersigned by the new Director;
- The new Director, as the inductee, is introduced to the Group via the induction pack and through meetings with the various Managing Directors of each division; and
- Any new director will hold the position until the next Annual General Meeting at which point he/she will retire and offer him/herself for re-election, in line with the requirements of the Memorandum of Incorporation.
